

Choi's Offer of Admission

UBC student number:

You have been admitted to:

Program: Bachelor of Science program

Campus: Vancouver

Session: 2024-2025 Winter Session

Year Level: 2

To keep your offer of admission to UBC, you must:

- Successfully complete all courses required for entry into your program.
- Maintain your current level of academic performance
- Remain in good academic standing in your current program.
- Submit your final official transcript(s) as soon as possible to verify that the above conditions have been met.

Review <https://you.ubc.ca/keep-offer> for the conditions of this offer of admission. It is your responsibility to provide UBC with the documents that confirm these conditions have been met as soon as possible. If you fail to meet any of the conditions listed above, you may lose your offer of admission to UBC.

Accepting/declining your offer of admission

To secure your spot at UBC, you must accept your offer of admission and pay your acceptance deposit no later than June 01, 2024. Log in to the Applicant Service Centre at <https://myapplication.ubc.ca/>. If you do not plan to attend UBC, please decline your offer so we can provide your spot to another student.

Additional information

Important information regarding housing, orientations, financial planning, and registration can be found in the "After you've been admitted" section of our website at <https://you.ubc.ca/beginhere>. For information on your student record, registration timeline and degree progress, visit Workday Student at www.myworkday.ubc.ca.

You can estimate the tuition and living costs for your degree using our cost calculator and develop a financial plan using our budget-planning spreadsheet at <https://you.ubc.ca/financial-planning/cost/>.

Students can view their transfer credit on Workday Student at www.myworkday.ubc.ca. Refer to your Faculty's undergraduate degree requirements information, and consult an academic advisor if you have questions regarding applicability of credits to your program.

Please note that your admission offer is based on academic documents that we consider to be unofficial. Official copies, or verification of your previously submitted documents, will be required before you will be permitted to register in classes at UBC. Please contact admissions.inquiry@ubc.ca with the subject line -- Documents Require Verification-- for more information about sending official documents to UBC.

The conditions of your offer of admission include submitting a final official transcript from Alexander College.

Chung's Offer of Admission

UBC student number:

You have been admitted to:

Program: Bachelor of Science program
Campus: Vancouver
Session: 2024-2025 Winter Session
Year Level: 2

To keep your offer of admission to UBC, you must:

- Successfully complete all courses required for entry into your program.
- Maintain your current level of academic performance
- Remain in good academic standing in your current program.
- Submit your final official transcript(s) by May 15th to verify that the above conditions have been met.

Review <https://you.ubc.ca/keep-offer> for the conditions of this offer of admission. It is your responsibility to provide UBC with the documents that confirm these conditions have been met as soon as possible. If you fail to meet any of the conditions listed above, you may lose your offer of admission to UBC.

Accepting/declining your offer of admission

To secure your spot at UBC, you must accept your offer of admission and pay your acceptance deposit no later than May 12, 2024. Log in to the Applicant Service Centre at <https://myapplication.ubc.ca/>. If you do not plan to attend UBC, please decline your offer so we can provide your spot to another student.

Additional information

Important information regarding housing, orientations, financial planning, and registration can be found in the "After you've been admitted" section of our website at <https://you.ubc.ca/beginhere>. For information on your student record, registration timeline and degree progress, visit Workday Student at www.myworkday.ubc.ca.

You can estimate the tuition and living costs for your degree using our cost calculator and develop a financial plan using our budget-planning spreadsheet at <https://you.ubc.ca/financial-planning/cost/>.

Students can view their transfer credit on Workday Student at www.myworkday.ubc.ca. Refer to your Faculty's undergraduate degree requirements information, and consult an academic advisor if you have questions regarding applicability of credits to your program.

Please note that your admission offer is based on academic documents that we consider to be unofficial. Official copies, or verification of your previously submitted documents, will be required before you will be permitted to register in classes at UBC. Please contact admissions.inquiry@ubc.ca with the subject line -- Documents Require Verification-- for more information about sending official documents to UBC.

Please make arrangements to have official transcripts sent directly from the Virtual High School and Inha University (in Korean) to UBC by May 15th, 2024.

Chen's Offer of Admission

UBC student number:

You have been admitted to:

Program: Bachelor of Science program
Campus: Vancouver
Session: 2024-2025 Winter Session
Year Level: 3

To keep your offer of admission to UBC, you must:

- Successfully complete all courses required for entry into your program.
- Maintain your current level of academic performance
- Remain in good academic standing in your current program.
- Submit your final official transcript(s) by May 15th to verify that the above conditions have been met.

Review <https://you.ubc.ca/keep-offer> for the conditions of this offer of admission. It is your responsibility to provide UBC with the documents that confirm these conditions have been met as soon as possible. If you fail to meet any of the conditions listed above, you may lose your offer of admission to UBC.

Your supplemental application to the Bachelor of Computer Science program at UBC Vancouver is currently being reviewed by the Faculty/School. When their evaluation is complete, we will contact you again with confirmation of this additional admission decision. Please continue to check your application status on the Applicant Service Centre at <http://myapplication.ubc.ca>.

Accepting/declining your offer of admission

To secure your spot at UBC, you must accept your offer of admission and pay your acceptance deposit no later than May 01, 2024. Log in to the Applicant Service Centre at <https://myapplication.ubc.ca/>. If you do not plan to attend UBC, please decline your offer so we can provide your spot to another student.

Additional information

Important information regarding housing, orientations, financial planning, and registration can be found in the "After you've been admitted" section of our website at <https://you.ubc.ca/beginhere>. For information on your student record, registration timeline and degree progress, visit Workday Student at www.myworkday.ubc.ca.

You can estimate the tuition and living costs for your degree using our cost calculator and develop a financial plan using our budget-planning spreadsheet at <https://you.ubc.ca/financial-planning/cost/>.

Students can view their transfer credit on Workday Student at www.myworkday.ubc.ca. Refer to your Faculty's undergraduate degree requirements information, and consult an academic advisor if you have questions regarding applicability of credits to your program.

Transfer credit has not been assigned as you were admitted on the basis of a prior degree. Please contact your Program Advisor prior to registering for courses in order to determine your program requirements.

Your registration has been blocked until you have sought program advising from your Faculty.

Please note that your admission offer is based on academic documents (National Yunlin University of Science and Technology - a copy in Chinese and a copy in English and Alexander College) that we consider to be unofficial. Official copies, or verification of your previously submitted documents, will be required before you will be permitted to register in classes at UBC. Please contact admissions.inquiry@ubc.ca with the subject line -- Documents Require Verification-- for more information about sending official documents to UBC.

Ogura

Student Number:

Dear

Congratulations on receiving your offer of admission to Simon Fraser University (SFU)'s Faculty of Arts and Social Sciences (FASS). Your studies in the humanities and social sciences will empower you to understand people, improve your community, navigate a complex and globalized world, and discover your purpose.

Our students love how FASS supports their academic journeys. We have peer mentors to show you around campus and give you tips on the best places to eat and study, student unions to connect you with like-minded students, and co-op and field schools to make you job ready. My personal recommendation is for you contact our academic advisors at Arts Central, the hub for all FASS undergraduate students. These advisors can help you prepare for your first semester and craft a program that fits your interests, so that you can gain the important skills and experiences you'll need for a variety of employment opportunities - from teachers to lawyers, data analysts to government employees, and many more.

I also hope you feel pride in joining one of the top five Canadian schools for social sciences, arts and humanities according to the Times Higher Education World University Rankings om 2023. We offer courses in a range of languages and literatures, and programs that are acclaimed for excellence and innovation. No matter what you study, the FASS faculty members who will teach you are nationally and internationally recognized as the best in their fields.

FASS is where you will open your mind, build a diverse community of peers and mentors, and set in place the building blocks of a fulfilling future and dynamic career. Welcome to FASS. You'll have the most invigorating years of your life with us.

Sincerely,

S. Laurel Weldon, Ph.D., Fellow of the Royal Society of Canada
Dean of Arts and Social Sciences

Student Number:

Dear

I am delighted to welcome you to our fabulous community, and for you to begin your [Bachelor of Business Administration \(BBA\) degree](#).

Our dual [AACSB and EQUIS](#) accredited BBA program allows you to explore before deciding on your career path. You will attend SFU Beedie LAUNCH Orientation and connect with experienced faculty members, mentors, and support staff to learn about the opportunities that are available to you. You will nurture your passions, and uncover talents and interests you may never have known you had.

Our [strategic pillars](#) that are emphasized throughout your educational journey with us are: 1) Innovation, 2) Social Responsibility, and 3) Global Perspective in an environment that is inspired by research and grounded in the practice of management.

In addition to participating in our outstanding academic program, you will build strong connections outside of the classroom. Choose to gain work experience through [Co-op](#), obtain global insight through [international exchange](#), engage with [Mentors in Business \(MIB\)](#), compete in local, national or international [case competitions](#), represent the school at conferences, and much more.

I can't wait to hear more about your unique journey as you join our SFU Beedie community.

Yours sincerely,

Dr. Carolyn Egri
Dean pro tem, Beedie School of Business

Student Number : 008040085
Applicant Type : Advanced Entry
Program : Bachelor of Science
Starting Term : Fall 2024
Accepted Offer : March 25, 2024

Dear

Congratulations and welcome to the Bachelor of Science (General) program for the Fall 2024 term at the University of Manitoba!

We are delighted to advise that you have been provisionally offered admission to the Bachelor of Science (General) program for classes 2024 term.

You are required to submit, by the indicated deadline, all outstanding documentation outlined in your application portal including:

Final Official Transcript (Alexander College)

As you have been provisionally admitted, the following must also be successfully completed:

- Final official Alexander College transcript must include final grades for all in progress classes.
- Must also maintain minimum eligibility requirements with final grades as listed in the Applicant Information Bulletin.

If these conditions are not met, the University of Manitoba reserves the right to withdraw this offer.

You accepted your offer of admission on March 25, 2024.

The Standardized Letter that can be used for immigration purposes will be issued once you accept the offer and, if applicable, pay the deposit. If you do not follow through with registration in courses, you will need to reapply to be considered for admission to a future term.

To learn more about the exceptional student experience at the University of Manitoba, visit our [Current Student website](http://umanitoba.ca/current-student-website). For more information about our programs, please visit <http://umanitoba.ca/academics/faculties-colleges-and-schools>.

On behalf of the President and staff, I would like to take this opportunity to welcome you to the University and to wish you success in your studies.

Sincerely,

Erin Stone
Deputy Registrar & Director of Admissions
